

## Update a theme in WordPress

Article Number: 1062 | Rating: Unrated | Last Updated: Mon, Nov 16, 2020 at 8:28 PM

You can update a theme to its latest version from within WordPress. Regularly updating your themes also helps to keep your WordPress site working properly. **Note:** Before updating your theme, create a **backup of your website**. Log in to WordPress From the **Dashboard** menu, click **Updates**. Select the checkbox for any theme you want to update. Click **Update Themes**.
