

SonicWALL UTM Devices: CSR and certificate installation

Article Number: 1432 | Rating: 1/5 from 1 votes | Last Updated: Wed, Dec 2, 2020 at 7:00 PM

To install an SSL certificate on your SonicWALL® UTM device, see the SonicWALL document [here](#). You can download files you need using these instructions: **Intermediate CA Certificates** from [the repository](#). **Your certificate files** from your SSL manager.
