When you are purchasing or renewing a domain name, we must take payment by credit or debit card. This is because purchased or renewed, we also have to make an immediate payment to the registrar for that domain name, and paymethod guaranteed to go through instantly. However, if you were to use the Domain Robot to purchase your domain PayPal, as Domain Credits can be paid for by credit card, debit card, or PayPal. Domain Credits are saved in your Huse at any time, and are used for renewing or purchasing domain names through the Domain Robot. The Domain Robot.
