

Install and configure Cart Add-ons

Article Number: 1515 | Rating: Unrated | Last Updated: Mon, May 10, 2021 at 2:43 PM

Offer upsell and cross-sell product recommendations when your customers reach the WooCommerce cart page. **Required:** Cart Add-ons is a premium WooCommerce extension included with WordPress Ecommerce Hosting or as a standalone purchase. Activate the Cart Add-ons extension. Navigate to **WooCommerce > Cart Add-Ons** in your WordPress admin to [configure settings](#).
