

Create a simple subscription product for recurring payments

Article Number: 1533 | Rating: Unrated | Last Updated: Mon, May 10, 2021 at 3:13 PM

This guide will walk you through how to create a simple subscription product using the WooCommerce Subscriptions plugin. You should use a subscription product if are selling a product that involves a recurring charge. **Required:** WooCommerce Subscriptions is a premium WooCommerce extension included with WordPress Ecommerce Hosting or as a standalone purchase. Click on **Products > Add New**. Find the "Product data" box, click on the dropdown and choose **Simple Subscription**. Go to "General", provide a subscription price and specify the frequency of the recurring charge Click **Publish** to display your product on your live site!
