

Install and configure Product Vendors plugin

Article Number: 1620 | Rating: Unrated | Last Updated: Wed, May 12, 2021 at 1:31 PM

Grow your store into a marketplace for other vendors who manage their shops while you take a commission in return. **Required:** Product Vendors is a premium WooCommerce extension included with WordPress Ecommerce Hosting or as a standalone purchase. Activate the Product Vendors extension. Navigate to **WooCommerce > Settings > Products > Vendors** in your WordPress admin to [configure payout schedule and other product vendor settings](#).
