## Edit or delete a shipping class in WooCommerce

Article Number: 1680 | Rating: Unrated | Last Updated: Wed, May 12, 2021 at 3:51 PM
This guide clarifies how to modify or delete an existing WooCommerce shipping class. Click on
WooCommerce > Settings > Shipping > Shipping Classes. Hover over the name of the Shipping class you want to modify and click Edit or Remove to delete. Edit the name, slug, or description as necessary.
Click Save shipping class.
