

Edit or delete a shipping class in WooCommerce

Article Number: 1680 | Rating: Unrated | Last Updated: Wed, May 12, 2021 at 3:51 PM

This guide clarifies how to modify or delete an existing WooCommerce shipping class. Click on **WooCommerce > Settings > Shipping > Shipping Classes**. Hover over the name of the Shipping class you want to modify and click **Edit** or **Remove** to delete. Edit the name, slug, or description as necessary. Click **Save shipping class**.
