When a customer places an order for the voucher and the order is complete, the purchaser of the voucher will receive the document in their e-mail with the voucher PDF attached. The voucher will also be available in their My Account area. **Required:** PDF Product Vouchers is a premium WooCommerce extension included with WordPress Ecommerce Hosting or as a standalone purchase. Customer places an order for a voucher product. Upon successful payment, the **voucher purchaser** will receive the voucher PDFs as attachments in the Processing Order and Completed Order emails. At this time, the purchaser can also find the voucher in their **My Account > Vouchers** area to view and download the voucher PDF. **Note:** Once a voucher has been fully redeemed (i.e. there's no remaining value), the status will change from "Active" to "Redeemed".
