When a customer places an order for the voucher and the Recipient Email field is included on the voucher template, the email used in the recipient email will receive the document in their e-mail with the voucher PDF attached. **Required:** PDF Product Vouchers is a premium WooCommerce extension included with WordPress Ecommerce Hosting or as a standalone purchase. Customer places an order for a voucher product and fills in the optional Recipient Email field added in the voucher template. Upon successful payment, the **voucher recipient** will receive the voucher PDFs as attachments in their e-mail. The **voucher purchaser** will also receive the voucher PDFs as attachments in the Processing Order and Completed Order emails.
