

Set WooCommerce pages

Article Number: 1761 | Rating: Unrated | Last Updated: Wed, May 12, 2021 at 4:31 PM

You may need to set or change the default pages associated with the Cart, Checkout, My Account, or Terms and Conditions. Select **WooCommerce** in the left menu to expand. Select **Settings**. Select **Advanced**.

Select the page name from the dropdown menu for each option. Scroll down to the bottom of the page and click **Save changes**.
