There are several types of add-ons to  
choose from to customize the

checkout page. **Required:**

WooCommerce Checkout Add-Ons is  
a premium WooCommerce extension  
included with WordPress Ecommerce  
Hosting or as a standalone purchase.

Type	Description	Example use case
<b>Text</b>	Customer can enter a short string of text.	Gift recipient's name
<b>Text Area</b>	Customer can enter a long string of text.	Gift messages
<b>Select</b>	Customer can select one option from a drop-down menu.	Gift wrapping options
<b>Multiselect</b>	Customer can select one, several, or all options from a drop-down menu.	Shipping and handling add-ons (e.g. Add Insurance, Add Rush Handling, etc.)
<b>Radio</b>	Customer can select one option from a list of radio buttons.	Choosing whether or not the order contains a gift.

Â

Here's an example of how each field appears on the checkout page:
