

What is a Registry Premium Domain name?

Article Number: 1863 | Rating: 1/5 from 8 votes | Last Updated: Thu, Oct 28, 2021 at 4:43 PM

What is a Registry Premium Domain Name? These are new domains that haven't been registered yet and have been given a Premium status by the registry due to their potentially high value.

Unlike Premium Domains, which have a one-time premium fee, Registry Premium Domains have a higher fee attached to them throughout their entire lifecycle, including their registration, renewal and transfer price. **How**

soon will I get a Registry Premium Domain when I order? Once you've completed the purchase of a Registry Premium domain, it will be provisioned into your account straight away. **How can I tell the**

difference between a Premium Domain and a Registry Premium Domain? It can be difficult to discern between the two types as both types are marked with a star icon on our search results. That said, Registry Premium Domains tend to be more expensive.
