cPanel - Getting Started - Accessing your new package for the first time

Article Number: 1928 | Rating: 1/5 from 1 votes | Last Updated: Thu, Mar 5, 2026 at 8:23 PM
Follow the steps below to access your new cPanel hosting package for the first time: Log in toÂ Heart Customer. Scroll down to theÂ Manage ProductsÂ section. Click onÂ cPanelÂ from the list of available products. Assign the domain you would like to use with this hosting package. ClickÂ LoginÂ to access your cPanel dashboard.Â Once logged in, you'll be taken to the main cPanel dashboard where you can begin managing your website, emails, domains, and other hosting features.
