How can I change the registrant name on my .uk domain name?

Article Number: 210 | Rating: 1/5 from 10 votes | Last Updated: Thu, Apr 23, 2015 at 11:19 AM
Changing the registrant on a .uk domain name would be considered transferring the ownership of the domain, and we are unable to do this. To change the registrant's name, please contact Nominet directly through their website: www.nominet.org.uk
