Can I access WebMail without going through the eXtend Control Panel?

Article Number: 262 | Rating: Unrated | Last Updated: Fri, May 1, 2015 at 1:58 PM

You can access webmail through: www.outitgoes.com Log in using the email address and password you were given when you set up the account. If you are a Reseller, you can also configure webmail to be accessible to your customers via a subdomain on their site or your own domain. Go to 'Configure Webmail' in your Reseller Preferences to arrange it.
