Why do I get the error "For security reasons, your session has expired" when I access my eXtend Control Pa

Article Number: 271 | Rating: Unrated | Last Updated: Mon, Apr 13, 2015 at 3:48 PM

This error message can be the result of a few problems, mostly relating to how your browser is interacting with the soll for you have your browser's security settings set very high, you may be blocking the eXtend Control Panel from placing eXtend Control Panel to remember you while you are on the site, keeping you logged in while you are using the site. firewall, and proxy software is all set up to allow cookies for the eXtend Control Panel. Occasionally, the eXtend Control your computer's clock is off by over 30 minutes. Change the time on your computer, and this should solve this process that the case is a Support Ticket with this may be the case.
