

Why is a blank white page showing on hosting accounts instead of my customised holding page?

Article Number: 375 | Rating: Unrated | Last Updated: Thu, Apr 23, 2015 at 11:53 AM

When you create a new hosting account, your customised holding page should load automatically, giving you a page account. Occasionally instead of your customised holding page, you will see a blank white page.Â This is when the load. This is a minor problem that usually quickly resolves itself. If the problem persists for more than 24 hours, please contact the Customer Services team.
