How can I change my Heart Internet account password?

Article Number: 394 | Rating: 1/5 from 5 votes | Last Updated: Thu, Apr 23, 2015 at 12:11 PM
Changing your Heart Internet account password is simple. Log into your Heart Internet Customer Area Click on ‘Contacts and Billing Details’ Click on ‘Change Password’ Enter your new password Repeat your password Click ‘Change Password’ Log back into the Heart Internet Customer Area with your new password Your new password must be at least 8 characters long and contain at least 2 numbers. Mixing uppercase and lowercase letters is also recommended for higher password security.
