A hosting account is called a subscription in Plesk.Â When you create a new hosting account, you are adding a new subscription within Plesk. It is assumed that you are using Plesk as a Service Provider.Â If you are using Plesk as a Power User, switch to Service Provider: Go to the 'Server' tab Go to 'Interface Management' Go to 'Panel Appearance' Click 'Service Provider' Click 'OK' You will now be in 'Service Provider' mode To add a new subscription: Click 'Subscriptions' under 'Hosting Services' Click 'Add New Subscription' Enter in the domain name for the subscription Select the IP address from the drop-down menu â€ you can use the server's primary IP address Enter a username and password for the new hosting package Select a Service Plan from the drop-down menu â€ you can choose from your own service plans or from the default service plans Click 'OK' The subscription will be created
