

Find my server IP address

Article Number: 970 | Rating: Unrated | Last Updated: Wed, Sep 2, 2020 at 7:47 PM

Your Dedicated Server comes with a unique IP address you can use for access. Here's how to find that address: Log in to your account. ([Need help logging in?](#)) Under **Manage Products** select **Manage Dedicated Servers**, select the Dedicated Server you wish to use, and select **Manage**. The IP address appears just below the server name in the upper-left corner of the page.
